## Place value up to 1000 [azoom!

## **Section A:** Complete the table.

|          | Base 10 blocks | Numbers | Words                          |
|----------|----------------|---------|--------------------------------|
| Example: |                | 52      | Fifty two                      |
| 1)       |                |         |                                |
| 2)       |                |         |                                |
| 3)       |                | 173     |                                |
| 4)       |                |         | Three hundred and twenty eight |
| 5)       |                |         |                                |
| 6)       |                |         |                                |
| 7)       |                | 704     |                                |

## Place value up to 1000

**Section B:** Compare numbers. Circle the one that is greater.

| 1)  |                          |     |     |                              |     |  |  |  |
|---|--------------------------|-----|-----|------------------------------|-----|--|--|--|
| 2)  |                          |     |     |                              |     |  |  |  |
| 3)  | 607                      |     |     | 598                          |     |  |  |  |
| 4)  | 189                      |     |     | 246                          |     |  |  |  |
| 5)  | 900                      |     |     | 732                          |     |  |  |  |
| 6)  | Eight hundred and two    |     |     | Five hundred and thirty four |     |  |  |  |
| 7)  | Nine hundred and sixteen |     |     | Two hundred and ninety three |     |  |  |  |
| Section C: Write each set of numbers in order from least to greatest. |                          |     |     |                              |     |  |  |  |
| 1)  | 201                      | 811 | 500 | 224                          | 298 |  |  |  |
| 2)  | 680                      | 630 | 651 | 751                          | 251 |  |  |  |

3)
