

Name: _____

Date: _____

Compare Intervals of Time

Section A:

Look at how long Ray spends on each activity. Put the activities in order from least to greatest amount of time spent on each activity.

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____

Brushing teeth 2 minutes
Having a good night's sleep 11 hours
Reading a story 10 minutes
A day at school 6 hours
On vacation with family 1 week
Watching a TV program Half an hour
Eating dinner 35 minutes
Tying shoelaces 20 seconds

Section B:

Check the activity that take the longest time in each pair. If you think they take about the same time, don't check either. The first one has been done for you.
