Winter Wonderland - Drawing Snowflakes

Each snowflake is made of six sides or 'arms' and has six lines of symmetry.

The blue lines are mirror lines.

Reflect each image to fill all 6 sectors and watch your beautiful snowflakes appear!

Winter Wonderland - Drawing Snowflakes

Winter Wonderland - Drawing Snowflakes

Now you've seen how creating snowflakes work, why not have a go at drawing some of your own?

Remember each sector must be a reflection of the last.
